PROFESSIONAL SUMMARY

MCA student and aspiring software developer with a solid foundation in programming and web development, complemented by practical experience in IT administration, corporate digital marketing, and multimedia production. Proficient in HTML, CSS, JavaScript, Python, PHP, MySQL, GitHub, and VS Code. Eager to leverage technical and problem-solving skills to build scalable software applications, responsive websites, and seamless digital experiences while continuously learning modern tech stacks.

TECHNICAL SKILLS

Programming & Web Development: HTML • CSS • JavaScript • Python • PHP

Database: MySQL

Development Tools: GitHub • Visual Studio Code

Additional Skills: Digital Marketing • Social Media Lead Generation • Video Editing • Post-Production Workflow

PROFESSIONAL EXPERIENCE

ASSISTANT IT ADMIN — Microlab Scan and Diagnostics, Kozhencherry

May 2025 – October 2025 (6 Months)

- Supported daily IT operations, network configurations, and system administration activities.
- Maintained system uptime and diagnosed hardware/software issues to ensure uninterrupted clinical infrastructure operations.
- Assisted in the secure deployment, routine updates, and technical maintenance of enterprise digital database systems.

FREELANCE DIGITAL MARKETER — Freelance

2025 – Present

- Planned and executed high-impact digital marketing campaigns focused on driving student admissions for a local educational institution.
- Targeted key student demographics through social media advertisements, resulting in increased organic inquiries and enrollment interest.
- Analyzed campaign performance metrics, optimized lead generation funnels, and curated promotional copy for higher digital engagement.

FREELANCE VIDEO EDITOR — Freelance

2023 – Present

- Spearheaded full post-production workflows for academic institutions, focusing heavily on editing comprehensive school programs, promotional multimedia, and campus events.
- Applied modern non-linear video editing, sound balancing, and pacing techniques to deliver engaging visual storytelling content.

- Collaborated with stakeholders to match technical specifications and deliver clean digital media optimized for cross-platform distribution.
